### Sweepstakes

#### **Our 'Facebook Group' Sweepstakes – Last Chance! Also, Bonus Prize!**

Time is running out for entering our sweepstakes! Entries accepted until 9am EST tomorrow, announcement at 10am via Facebook. So far 28 of the members in our "SMMware Discussion" Facebook group qualify for the sweepstakes.

Originally, we said that if the number of qualifying group members reached 51 we would give away 3 prizes. But we'd really love to get over 50, so we are going to sweeten the pot:

If we do reach 51 qualifying members, instead of just 3, **we will give away 4 prizes!**

So join now! You'll have a place to discuss your SMMware questions with other subscribers, and you might win a prize.

**Click here to visit the page, and use the "Join Group" button found there:**

Again, we are giving away 3 months of free SMMware, and all you need to do to enter is be a member of the group. One prize will be awarded for every 25 members in the group, so as more people enter, your odds of winning stay high.

**The more members in the group, the more prizes we give away!**

This group is a place where SMMware subscribers can ask each other questions, trade ideas on how you've customized your settings, and otherwise provide feedback.

**The winner(s) will be announced on Wednesday, May 12<sup>th</sup> via the Facebook Group.**

One small change, we originally were going to announce the results via email, but realized it would be appropriate to announce them within the Facebook Group.

Note, we don't want anyone to miss out on being entered, so take note that you need to be a member of the group and that this is different than 'following' the page or 'liking' a post.

Details:

- Must be a current SMMware subscriber to win
- One entry per SMMware site (apart from this sweepstakes, a company is of course welcome to have multiple members in the group generally)
- If multiple prizes are awarded, a given company can only win once
- At the time of the drawing, if there are 1-25 members, 1 prize will be awarded, if 26-50 members then 2 prizes, and if we reach 51, we'll add a bonus 4<sup>th</sup> prize.
- For recent subscribers, the 3 months prize is in addition to the free 30 day trial.
- Members of the group who joined prior to this announcement are eligible
- Prizes are awarded in the form of coupons applied to your account

Thanks, and stay safe.
